

AMBASSADOR IN ACTION OVERVIEW

This program aims to acknowledge leaders for their steady business growth by monitoring and excelling in four essential business development activities.

Personal Volume Growth = earn points from your monthly total PV growth over the previous month.

1-199 = 1 point | 200 - 499 = 2 points | 500 - 999 = 3 points | 1,000+ = 4 points

Personal Enrollments = earn points from your NEW personally enrolled customers, affiliates, and ambassadors.

Each new enrollment = 2 Points

Personally Enrolled Rank Advancements = earn points when you help your personally enrolled rank advance.

S range = 1 point | G range = 2 point | P range = 3 points | D range = 4 points | H range = 5 points

Personal "Paid As" Rank Maintained OR Personal Rank Advancement = earn 1 point per month for maintaining the same rank as prior month, OR earn additional points for rank advancing.

S range = 1 point | G range = 2 point | P range = 3 points | D range = 4 points | H range = 5 points

Although the Ambassador in Action formula is calculated on a monthly basis, we recommend tracking your progress in these key areas weekly to help you determine where to concentrate your time and maximize your results each month. To earn points and qualify in Ambassador in Action promotional programs, you must earn points in all four areas over the course of the month. This initiative can significantly support and elevate your business to exceptional levels of success and assist you in creating perfect work-life balance. Believe in yourself - you can do it!

Promotions are open to all U.S. Oola Ambassadors. Oola may modify or terminate the Ambassador in Action formula at any time.
